

SAGE WEB 3 GAMING EDUCATIONAL PROPOSAL

SAGE INTRO

Building India's largest Web3 gaming community is an fascinating idea with the potential to unite gamers from all over the country. The goal is to create a platform where gamers can connect, play and learn about the latest developments in Web3 games.

SAGE community will serve as a platform for Education and awareness-building, helping gamers understand the benefits and possibilities of Web3 technology in the gaming industry. By fostering a strong sense of community, We As SAGE aims to promote growth, innovation and the adoption of Web3 games in India.

EXPERIENCE IN GAMING INDUSTRY

We formed as an Gaming Community earlier back in 2019 It's been 5 years since we are in this gaming industry. Our motto is to create a platform for everyone. Basically we want to create more opportunities for everyone and that's the reason we were in search of more opportunities and then we learn about Web 3. It's been 3 years since we are in web 3 space learning about the new era of gaming and Educating Our Community about it. We have created a lots of Web 3 Gaming Educational Content on Youtube and Instagram.

We have Worked with many Web 3 gaming projects Like - INDIGG, BlockchainSpace Gaming Guild, Heroes of Mavia, Metal Core, Cradles, Metastrike and More.

Our Current Community Size is of 20K all across the Social media platform
